Dear Suzanne,

**SHEENE MILL, NEW YEARS DAY**

Now the dust has settled and the many Thank You letters and cards are tailing off, I felt I must write and thank the Band for helping make Amy & Jamie's big day so memorable.

It is a measure of success when so many guests take the trouble to write to say how much they enjoyed the day. "Great venue, excellent food and a BRILLIANT band" is typical of the comments received.

As an ex-musician in another life I appreciated how the band picked up on what our guests wanted and kept them entertained until midnight.

Once again, a big Thank You!

Kind regards,

Terry & Sue Lovett
